ASSISTANT SECRETARY TO GOVERNMENT
23 AUG 1952
4098
CHIEF SECT.

I invite attention to the references cited, in which the distribution of the copies of the instructions to Supervisors, enumerators in English and regional languages, house-hold verification slips and Birth and death slips made for this district is not adequate to meet the actual requirements. I have therefore issued a telegram to the Superintendent Government press, Madras for the supply of additionad indent of 400 copies of the instructions to Enumerators and Supervisors in English and regional languages of the District(Telugu and Kanarese), and 400 copies each of the house-hold verification slips, Birth slips and Death slips. I request that the Superintendent Government press may be instructed to supply the forms indented for immediately.

[One copy of the G.O. Ms. 1964 Public (Ele) Department has been supplied to each of the Tahsildars and Deputy Tahsildars in the district, but copies intended for the Election Deputy Tahsildar and for office use have not been received. As the Tahsildar and Election Deputy Tahsildar will be touring in different places in the Taluk, holding instructions classes and supervising the work in progress, it is necessary that each of them should have a copy. I have therefore included in my indent for additional forms, to the Superintendent Government Press, Madras to supply 25 copies of the G.O. also. I request necessary instructions may be issued to him to supply the copies of the G.O. immediately.]
